

SLEEP DIARY

Good sleep is important for the health and happiness of every person, no matter how old or young. Without getting enough sleep, it can be hard to stay awake, pay attention, and enjoy the day.

- * Follow a bedtime routine by doing the same relaxing activities every night before bed – like reading or listening to quiet music.
- * Exercise during the day.
- * Have a light snack or warm glass of milk before bed, if you are hungry.
- * Keep your bedroom cool, dark, and quiet.

Do Not:

- * Stay up late.
- * Go to bed at different times each night.
- * Watch TV or play video games because they can disturb your sleep.
- * Exercise too close to bedtime (3 hours or sooner).
